

# suma is a brand that invites anyone to submit design ideas

**1**

creative people  
seamlessly upload  
designs to web  
platform

**2**

community can  
up-vote ideas, and  
subsequently pre-order  
the designs we've  
prototyped

**3**

if a prototype  
gets sufficient pre-  
orders, we'll make it  
and ship it to those  
who bought it
